what, when, where...

Campdowne 2008 is an international Scout and Guide camp held in the UK at Downe Scout Activity Centre, in London's Greenbelt.

The camp runs from 24th July - 2nd August 2008 and is for all members of the Scout and Guide movements over the age of 10 years. Participants will camp with their Troop, Unit or Company on one of five subcamps, and should be accompanied by adult leaders.

why...

Set in both woodland and open grassland, Campdowne 2008 offers an opportunity to make new friends from around the world through an exciting and unforgettable ten day programme of events and activities. There will be centrally organised entertainments; camp fires, discos, party nights and stage productions, not forgetting the opening and closing ceremonies.

To complement this, each subcamp will provide its own programme of organised events and entertainment throughout the camp.
