All over 18 participants at Campdowne 2008 will have their own photo ID badges. To facilitate this we need your photos!

To ease in our administration we would very much prefer it if you could e-mail the photo using the method below.

We can accept JPEG, BMP or TIF files but prefer JPEG. The resolution should be 200dpi at actual size which is 45mm high x 35mm wide.

It is very important that you name the file in the correct format (example is JPEG):

e.g. John Smith born on 10th June 1985 will be Smith_John_100685.jpg

Attach it to an e-mail and send to info@campdowne.org.

Please write **Participant Photo** in the subject line along with your **full name**.

Once you have e-mailed your photo please fill in your details above and submit this form ticking the relevant box below.

By ticking this box and submitting this form via e-mail you confirm that the photograph sent via e-mail is a true likeness of you.

However if you are unable to e-mail the photo, please write your Full Name and Date of Birth at the top of this form and on the reverse of the photo. Then affix the trimmed image in the box below using just a dab of stick glue (such as Pritt Stick).
